The weather was wonderful! In spite of predictions for horrendous heat, the temp was in the mid 80's and there was a light overcast obscuring the sun. Those assembled had an opportunity to watch as one of the top Oklahoma shooters, Leroy Rogers taught the locals a lesson or two. It was even more impressive, as Goose, probably after a bad night(s), had some very strange stages laid out. After a rough start, Leroy put on quite a display. He's a class act and ready for the Shootout on the Cimarron next week. Goose was left with pathetic mind games and funky stages to try keep up with this talent, but all he managed to do was trip himself (A procedural and a miss on one stage; did he write these hisownself?). Cal Cogburn (known everywhere as "Cal"), came in and led a frantic Senior shootout. All three seniors were within 35 hundredths total time! Cole Creek was shooting well and the Capt. found himself in the same leaky boat as Goose. Flossie continues to shoot well. Shorty Sureshot brought his own rooting section and a whole wad of range workers, a couple from England. We delighted in their company (we really put them to work.)

Considering that he was shooting a borrowed rifle, a never before shot pistol, and store bought ammo, Deputy John Ray did very well overcoming adversity and has a bright future. He has the drive. Overall, a pretty nice day!

The next shoot will be June 3rd at 9:30am (Summer Hours)
